PROCEEDINGS OF THE LEGISLATURE

PROCEEDINGS OF THE LEGISLATURE

The Man points of the ways since, having been fully met by the Reconstruction bill which is now on its passage, the former was laid on the table. An executive session closed the day.

Horse, March II.—The list of new bills and resolutions presented in the House occupies much spice. Nearly all these were of a local character. The Bounty bill, which passed the House, but was not reached in the Senate, at the last session, giving \$8,33 per month, with deduction, to all volunteers who were honorably discharged, was again presented by Mr. Schenck, and an effort was made to secure its immediate passage, but it was put over to another day. A few of the standing committees were announced. A bill providing for the registration of loyal Southern voters and requiring the secret ballot in all elections, was introduced and paslot in all elections, was introduced and pas-sed, 117 to 27. Resolutions of sympathy with the movements in Ireland were offered and a motion to suspend the rules for their consideration was pending at adjournment. SENATE, March 13—The French Spolita-tion bill, a bill for the defence of the North-SENATE, March 13—The French Spolita-tion bill, a bill for the defence of the North-special order, Mr. Kellogg's resolution to amend the Constitution so as to allow colored war Department to furnish to Tennessee government by Boards of Commissioners and a joint resolution providing for the sur-vey of a Ship Canal around the Falls of Ni-

rgars, were also introduced. The Registra-tion bill from the House was referred to the Judiciary Committee.

House, March 13.—The House passed bills appropriating \$5,000,000 for the expenses of execution of the Reconstruction plan, and \$15,000 for the destitute freedmen of the District; ale a bill to give annually a suit of clothing to each invalid soldier who may be the invalid. the innate of any Soldiers' Home. The session was brief, and no other business of importance was transacted.

The New Road Law. The following is a tolerable full synops of the new Road Law of Ohio:

The supervision of the roads is transferre from Supervisors to the township Trustees All male residents between twenty-one and two days work yearly, in repairing the roads Pensioners of the United States and disable soldiers are exempted. The sum of two dol-lars may be paid by any person liable to work, and received by the trustees in lieu of the two days work. The trustees have power the two days work. The trustees have power to contract with any person or persons to re-pair or make any roads or parts of roads in their own townships. County Commission-ers in courties where the taxable property exceeds sixty millions, are authorized to levy a tax of not less than one-twentieth, nor more than five-tenths of a mill; in counties of thirty millions of taxable property one-tenth, nor more than one mill; in counties of less than thirty millions and more than two mills; in counties of less than ten millions and more than five, not less than seven-tenths, nor more than three mills; in counties of less than five millions, not less These levies are to be made at the March

THIS PREPARATION is the discovery of Rev. J. W. Poland, formerly Fastor of the Babtist Church in Gofatown, N. H., and a man dearly beloved by that denomination throughout New England. He was obliged to leave the pulpit and study medicine to save his own life, and his Magic Pewersa are one of the most wonderful discoveries of modern times. It is the great Liver and Hilliams Remedy which completely throws in the shade all other discoveries in medicine; and it affords him much gratification, that they receive the unanimous approbation of all who have tested them. The Magic Billous Powders are a positive cure for Liver Complaint in its most agravated form, and an immediate corrector of all Billous derangements, excellent for Headache, Constipation, Pimples, Blotches, a Sallow Skin, Drownines, Dissiness, Hearthurn, Palpitation, and a most wonderful Cure and Preventive of Fever's Agns.
